Al, This has been a most
different year, especially in English
with Mrs. Wright. I hope we
don't get her next year, and can't
until we get her back at the end
of the year. Here is a "word of wisdom."

Dedication

The CARAVEL is proudly dedicated to a person for whom everyone has the greatest admiration and respect. As a teacher and friend of the students at Berry High School, he has done much to instill in them those qualities which will best suit them for their roles as mature useful adults. As a biology teacher his enthusiasm and knowledge have helped students to begin an interesting insight into the life functions of animals and plants.

We know him as a person whose principles and integrity have served both him and each of us as a guide in our education and daily life. For all these things we proudly and gratefully dedicate the 1966 CARAVEL to our friend and teacher, MR. RICHARD C. LOVELADY.

The National Honor Society consists of those students in the tenth, eleventh, and twelfth grades who have made and maintained superior scholastic averages. Scholarship is not the only qualification for students must display good citizenship, outstanding character and perform a certain amount of service for their school.

To obtain membership, in addition to having good grades, the students must be approved by the faculty.

In order to become a member of the Senior Honor Society in the first semester of the eleventh grade, a junior must have had all A's in the ninth and tenth grades. To be elected in the second semester of the eleventh

grade, the same requirements as above are necessary except that one or possibly two B's are permitted.

A senior for the first semester is required to have the same qualifications as the junior except three or four B's from the ninth grade to the twelfth are permissible.

For a second semester senior to be elected to the Senior Honor Society he must follow the same requirements except for the fact that one C may be accepted.

PRESIDENT

The Key Club was organized in the fall of 1965. It is sponsored directly by the Kiwanis Club with its main objective being that of serving the community.

The boys are chosen from the sophomore, junior and senior classes. The qualifications for membership include interest in service, high scholastic average, good character, leadership potential and approval by the school principal.

The club has as its main project this year the purchase of a Whirlpool bath for the athletic department. They sponsored a shoe shine and civic endeavors for the underprivileged.

Crow's Nest

Each month when the CROW'S NEST goes on sale, a newspaper full of information is made available to the student body. The CROW'S NEST seeks to recognize outstanding students at Berry and to stimulate interest in the school. In its editorials, it attempts to encourage creative thinking on the part of the reader by presenting both sides of a controversial issue, but leaving the person to form his own views on the matter. However, with the seriousness of the editorials, it mixes the amusement of its gossip and the satire of Prevorious.

The CROW'S NEST is published by the Senior class, first to benefit the school, and then to provide money for the Senior class projects.

The Berry High School Student Council consists of individuals interested in having a part in governing their school.

Each year the Student Council has a major slogan. This year's slogan was "Help Promote School Spirit." The council sponsored many activities in order to reach the goal; the main project was Homecoming. Another was the selling of rah-rah shakers for the football games, and senior parking lot stickers. Other projects and assembly programs include Buccaneer Week, Beautification Week, Twirp Week, Thanksgiving and Christmas programs and an Armed Forces Day assembly.

In order for the Student Council officers to fulfill their offices in the best way possible, three of them attended the state workshop at Howard College last summer. Berry's president, Reid Doster, also attended the regional workshop in Lexington, North Carolina. These workshops help students learn the duties of their office and help them do a better job.

The Berry High School Student Council is the president of all Jefferson County student councils. This puts extra work on the council, especially on its president, Reid Doster. Hard work is necessary for the kind of year the Berry High School Student Council looks forward to - a prosperous year for everyone.

Library Club

The Berry High School Library Club believes that the library is the heart of the school, and that all phases of the curriculum are centered around the resources to be found within its walls. It is essential that students have opportunities to develop mentally, morally and physically. In order that this over-all philosophy be realized, the library seeks to carry out some specific goals.

Many services are offered to the students by the members of the club. Assistance is given in research and reference. The responsibility of marking and shelving the books properly is the members of the club.

Observance of National Library Week and Book Week are two special activities of the year. Book marks are made for the faculty; large posters, bulletin boards, mobiles, and streamers were made and placed in strategic points around the school. The club held an audio-visual workshop for teachers in the library with demonstrations given in the use of projectors and other aids. Magazines were given to the Veterans' Hospital; fruit and canned goods were given to the Crippled Children's Hospital, and clothes were given to a needy family.

State and Regional Office Holders

The Berry Future Scientists of America was established two years ago in an effort to focus attention on science and to stimulate an interest in it. All students who are taking or have already had chemistry or physics are eligible for membership.

The club is a member of the National Future Scientists of America and is affiliated with the Alabama Junior Academy of Science. The group is extremely proud of the fact that two of the members have been elected to offices in the American Junior Academy of Science. Ed Wheeler served as vice-president in 1964-65 and Katherine Bisset served as treasurer this year. Also Sharon Butler was elected secretary of the Central Alabama Region of the Alabama Junior Academy of Science.

Many Honors Have Been Bestowed on This Outstanding Organization

The Senior Art Club was formed at Berry as a means for students to express and to further their interests in art. Barbara Walker is the secretary of the Alabama Art Clubs. Mrs. Painter, the sponsor, is also the sponsor for Art Clubs of Alabama.

In 1965 the Art Club received the "Outstanding Club Award" for Berry. This was awarded for outstanding contributions in school and community. The club attended the Art Club convention at the University of Alabama last December.

Twenty-Seven Members Train to Be Speakers

Ed Walsh, Treasurer; Carol Cruze, President; Vivian Logan, Vice-President; Beverlee Beal, Secretary

The Forensic Club was organized for the sole purpose of encouraging a greater number of students to acquire the invaluable training for leadership and good citizenship afforded by the effective use of the spoken word. In order to fulfill this purpose, the club sponsors local, state and national speech contests and presents various speech programs for both school and community activities.

With Its Spotlight on Math Mu Alpha Theta Convinces Members That Math Is Fun

Math can be fun according to the members of the Senior Math Club. The club attempts to give its members a realization of the fact that mathematics is as interesting as any other branch of human achievement.

Within the last year the Math Club of Berry High has achieved charter membership in Mu Alpha Theta, the National Math Club.

Junior High Math Club Creates Added Enthusiasm for Math

Jack Sims, Treasurer; James Barnes, President; Cathy Snyder, Vice-President

The Junior Math Club is under the capable sponsorship of Mrs. Dorothy Pate. Membership is restricted to A and B math students. Because of this prerequisite, the students are able to explore new and more advanced methods of math.

Even though the club is in its formative stages, the members anticipate promoting enthusiasm by making worthwhile projects.

French Culture and Language Explored

Dave Oertel, Sergeant at Arms; Vivian Logan, Vice-President; Margaret Deason, Chaplain; Jean Schauss, Treasurer; Katherine Bisset, President; Joe Friddle, Secretary

A group of students interested in broadening their knowledge of the French language and customs organized the French Club in October, 1964. The members meet once a month at the home of one of the members.

Programs for these meetings are most informative and entertaining. Guest speakers who have spent time studying abroad give the group their impressions of European life. However, some of the meetings are left solely to the ingenuity of the club members. These programs include studying the French culture, performing skits, conducting hootenanies and dancing, watching movies, and sampling French cuisine.

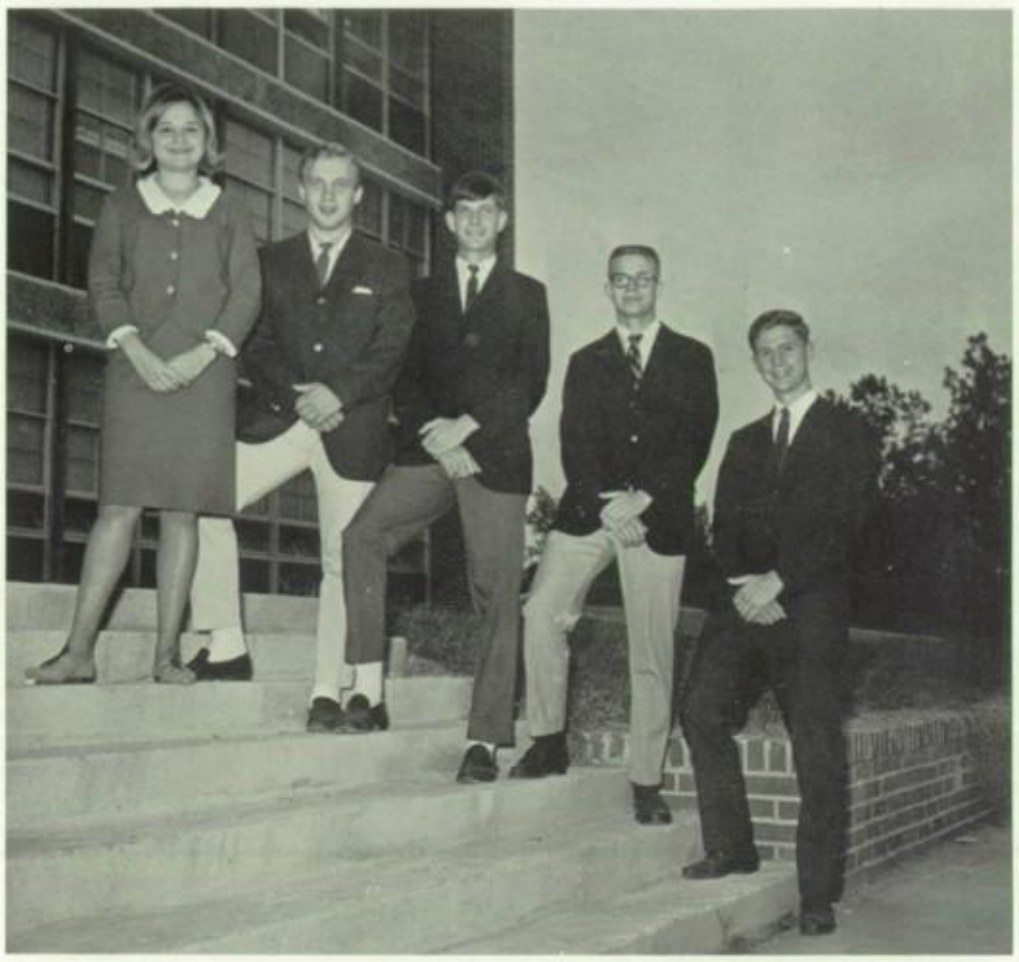
Le Petit Cercle Français

Julie Meinberg, Treasurer; Mary Margaret Morgan, Secretary; Randy Sain, Vice-President; Gail Patterson, President

Le Petit Cercle Français was organized in the fall of the year. It is made up of French I students who desire to learn more about the French civilization, culture, and language. This was accomplished at the monthly meetings with the program theme being "Living France".

This year the club became a member of the Alabama Federation of French Clubs. In the spring the members journeyed to the University of Alabama to the state convention. There they competed with other clubs in the presentation of group and individual skits. Sharing ideas was enjoyed in discussion groups with other members from various parts of the state.

Die Duetsche Seeräüber



Linda Phillips, Secretary; Ronald Compton, Treasurer; Thomas Lang, Chaplain; Dal Allen, Vice-President; George Watt, President

The purpose of the Die Deutsche Seeräüber is to provide members with a broadening knowledge of the German language, people, history, and countries, and to provide an organization where students who are studying German may become affable with each other in an informal situtation.

Students who have either visited or lived in Germany, Austria or Switzerland have shared their experiences with the other members in the meetings. This has helped them in the understanding and appreciation of the people.

El Circulo Español

The Spanish Club, "El Circulo Español", is one of the largest clubs at Berry. The only prerequisite for membership in the club is that a student be presently taking a course in Spanish or that he has taken one in the past.

The purpose of this organization is to provide members with a broadening interest of the Spanish language, people, history, and countries, and to provide an organization through which the membership may plan related activities.

The project for the club has been to furnish curtains for the language laboratory. The club's social event of the season is a banquet which is given for all members of the club.

Spring Picnic Climaxes Activities

Edward Hay, President; Allen Tilden, Vice-President; Beverly Whitehead, Secretary; Sally Turkington, Susie Lemmon, Treasurers

The Latin Club is composed of all students who are taking Latin or who have had two years or more of Latin. The purpose of the Latin Club is to promote the interest and enjoyment of the Junior Classical League of America, whose parent organization is the American Classical League.

The Berry High School Latin Club is not only one of the largest clubs at Berry but also one of the largest in the state. Many members attend the state convention which is in a different locale each year.

The years' activities are climaxed by having a picnic in the spring for all members of the club.

Bible Study Yields Understanding

This club was established this year on the principle that Christ is the hope of the world. Interested students formulated the idea for the club during the summer, and through mysterious sounding posters, advertised its formation.

HOPE serves as a guidepost for those who do not know the true happiness of having Christ as their personal Savior. To encourage prayer and praise, a Morning Watch is held featuring speakers and pastors from the surrounding area each Wednesday morning.

Report Cards, Grade Sheets, Bulletin Boards and Teaching

Donna Warnick, President; Lois Razek, Vice-President; Joan McCracken, Secretary; Karen Cooper, Treasurer; Linda Riley, Social Chairman

The Future Teachers of America is organized to help students, who are prospective teachers, to learn the responsibilities and opportunities of the teaching profession. Members are given a better view of the role a teacher performs in our democracy by first hand participation and observation.

The seventy-seven members of the club are affiliated with the National Education Association. The organization of a district group is on the agenda for the year.

Members of the Future Teachers of America work diligently to relieve the work load of the teacher. Assistance is given in compiling the monthly and annual reports, writing grade sheets and report cards, leading in class discussions, making bulletin boards and room displays, and grading papers.

During the Teacher Appreciation Week, which is sponsored annually by the group, each member teaches for one full day all the classes of the teacher for whom she ordinarily assists. At the close of this week a banquet honoring all teachers is given by the club. Each teacher attends as a guest of his FTA worker.

The year's activities were highlighted by the attendance of seven of the members at the annual convention which was held in Montgomery.

As sponsor, Mrs. Wall is a perfect example of a good teacher.

These future teachers compose the math team who won state competition at Howard. Susan Thorpe won the individual tournament.

Future Homemakers of America is a national organization of girls studying homemaking in high school.

As an integral part of the homemaking program, F.H.A. provides opportunities for students to have additional experiences in planning and carrying out activities related to homemaking.

The national organization is composed of chartered state associations which are made up of local chapters.

The F.H.A. at Berry has made many contributions to our school throughout the year. They gave us the use of their kitchen and living room for greeting and serving guests visiting the school. The biggest contribution was the sponsoring of the Big Red One. A fashion show was prepared which showed the proper school dress. After the show various clubs sent their best wishes by pouring their contributions into the well which added up to approximately $2000.

F.H.A. at Berry means a great deal to many girls. Its motto, "Toward New Horizons" is a challenge.

The Berry High School Junior Honor Society consists of those students in the 8th, 9th, and 10th grades who have maintained "A" and "B" averages since the 7th grade, in addition to scholarship, citizenship, character, and service for membership.

Meetings are held at regular times during the month. "A" and "B" honor roll badges are given to those outstanding students.

If these students' scholastic records are maintained, they are eligible for the Senior High Honor Society.

The Future Nurses of America, under the able leadership of Mrs. Elizabeth Huffman, was established in the fall of 1965 by prospective nurses as a means of informing themselves on the career. This is to be accomplished through speakers, doctors, nurses and medical technologists. The members also hope to stimulate an interest in the nursing profession and to encourage any desires for scientific experimentation.

Although the club is just getting started, several projects are already planned. These include: becoming affiliated with the National Future Nurses of America, touring a local hospital for the purpose of observing nurses at work, and attending the state convention at the University of Alabama in the spring.

Rap! Rap! "The meeting will come to order." This was heard twice a month by members of the Junior High Student Council. When President Jay Wells called the meeting to order, it was time for the business of the Junior High Student Body to be brought before their elected representatives. All members had to maintain a "B" average and had to be willing to devote much effort to the Student Council's work. The officers were elected at large the preceding spring and had to possess the same qualifications.

In addition to serving the school by promoting school spirit, establishing higher standards of character and leadership, and encouraging cooperation between faculty and students, the council gives the students an opportunity to gain a working knowledge of a republican form of government.

The bank is a Junior Achievement company sponsored by the Birmingham Trust National Bank. It operates each Tuesday in the home room and each home room has a teller.

To date there are over nine hundred Berry students who have accounts in the bank and approximately $6,000 is on deposit and drawing interest. The response of the student body to this worthwhile endeavor has been tremendous and further growth is anticipated.

Playmakers Cast Comedy and Tragedy

Heavy make-up is needed under the bright lights by Margaret Deason.

Lights off! As the curtain rises the story of the Berry High Kurtain Kallers unfolds before your eyes.

The second year for the Drama Club proved to be as full of projects as the previous one. The first meetings of the year were programs on props, scenery, make-up, costumes, and many more essential parts of staging a play.

At the end of the last school year the first major play for Berry was performed as a one night stand for parents and students. Much time and work was put into the performance of "The Spiral Staircase", a two act play. The night was then climaxed with a cast party. Many hours were spent making and painting flats, collecting props, and fitting costumes. Much work was needed to coordinate the sound effects and lighting with the actions of the performances.

The Kurtain Kallers are working hard to become Berry's first Thespian Troupe. There must be eight student Thespians before a troupe can begin. To receive this honor a person must have one hundred points earned through stage work and observance.

As many more performances are presented for the public by the Kurtain Kallers, this club will become better known and recognized for its addition to Berry's school life.

Promoting a better understanding and appreciation of music at Berry was the purpose of organizing the Senior High Music Club. This organization gives individual students an opportunity to perform and provides information for those considering music as a career.

During different times of the year, the club aided in boosting school spirit and worked to make the football games even livelier. Membership is open to any student interested in or studying music. While this is only its second year, the Senior Music Club has made a place for itself at Berry High School.

Do, Re, Mi . . .

Do, re, mi, ... first sounded over the campus of Jacksonville State College. The Berry Concert Choir spent the first week of August there at the college's invitation. This time was spent practicing and getting to know the new members.

During the fall the choir sang several times for the student body. As the Christmas season neared, the group performed on television for the Vestavia Methodist Church, the Bluff Park Methodist Church, and at Arlington Shrine.

Last year the choir received superior ratings at both District and State contests. They hope to do the same for 1966. The group as a whole helped support the football games and entered the winning float at Homecoming.

The choir has benefited the school in numerous ways and has gained much recognition.

Preparing for an Industrial World

The Mechanical Drawing Club was organized with several purposes in mind. The foremost goal is to achieve a better understanding of Mechanical Drawing, a field so vast that all its aspects cannot be covered in regular class meetings. Thus, through field trips, outside speakers, and research, they seek to narrow the gap between the classroom and the industrial world. Drafting is the language of industry and without an adequate understanding of it the group would be lost in the industrial world.

The Mechanical Drawing Club is also trying to influence the students of Berry High School to participate in this highly useful program. To stimulate interest, they entered several drawings in the Alabama State Fair and won three prizes--two first place and one second place.

Seven new majorettes and a drum major chosen at try-outs last spring began their work early in the summer. As each year has passed, the Berry Band has grown in its activities and representation of the school. The director, Mr. Ted Galloway, has led the organization to many honors. Last spring the band received a superior rating at the District Band Festival and State Contests at Tuscaloosa.

Hard work began in August of 1965, preparing and practicing for the following football season. Our band was honored by being asked to give a pre-game show at Legion Field for the first pro-game in Birmingham between the Minnesota Vikings and the Dallas Cowboys. Football games and rallies were spirited by their hard work, and again they were asked to march in the Veteran's Day Parade. At the Dental Clinic game the band played in a half-time show and participated in the mass band show.

Not only the band members but also each student was honored and pleased when the band was asked to play in the Orange Bowl Parade in Miami. Much time and hard work were spent raising the money needed to make the trip.

All are proud of Berry's fine band and its hard work throughout the year.

Students Receive Information on the College of Their Choice

These banners were displayed to represent various colleges.

The day for seniors to get a small taste of college life came in the first week of November. It also brought about the realization that soon each must decide on the college of his choice.

Many colleges from all over the state and several from across the nation were represented. The prospective college students learned of requirements, grades, financing, and housing problems. Although each senior had several months more before graduation, this day made college more than just a dream.

Teachers and professors from different colleges throughout Alabama talked to Berry students on College Day.

Queens, Floats, Excitement and Victory

Karyn Bowen, our 1965 homecoming queen, receives roses from last year's queen, Rachel Brown

The highlight of Berry's football season came to its peak the week of October 22 as homecoming festivities began. After much deliberation and suppressed excitement, the final announcement of the 1965-66 Homecoming Queen and her court was made.

Many weeks beforehand the clubs began gathering various ideas for their respective entries in the contest. The furor of building them began early Wednesday morning as the framework of future floats made grand appearances upon the baseball field.

The baseball field was a maze of people stuffing cleansing tissue into chicken wire. Crepe paper was flying at full mast over the field and the echoes of hammers could be heard in the far distance. Finally, the finished products were displayed just before the game Friday night. The first place winner for the second year was the Concert Choir. Their float was a huge sign saying "Ding Dong Bell, Pussy's in the Well". Running a close second was the Home Economics Club with their replica of Minor's tiger. The bookworms from the Library Club won 3rd place.

The Cheerleaders' float, representing the Berry-Minor football field, and the Band float, which was "Caging the Tigers", tied for 4th place. At the end of the parade and at the end of our list of winners came the Future Scientists of America, who were "brewing the tigers" in their cauldron. The winner for the Jr. High School was the Jr. Art Club.

A deafening roar arose from the fans as Berry's fine football team again paraded onto the field in their bright orange uniforms after a rousing pep talk from the coaches. The game ended in an overwhelming victory --the perfect ending to any homecoming game!

Berry — John Carroll Second Big Victory

At our first home game of the season Berry, amidst rain and fumbles, achieved a 19-6 win over John Carroll.

Lighting the scoreboard first by capitalizing on a Berry fumble John Carroll drove for the first touchdown of the night.

Berry drew blood when Mike Kolen intercepted a John Carroll pass and returned it 30 yards for a T. D. Baggett missed the point after touchdown and the half ended in a 6-6 tie.

In the second half Berry scored twice in the fourth quarter on McFarland and Ferguson touchdowns. Baggett missed one kick and got another to end the game in a 19-6 victory for Berry.

Hueytown — Berry's 1st Defeat

On September 23 Berry met Hueytown on their own home field for our worst defeat of the 1965 season.

The Bucs held the Gophers to a 6-0 lead in the first half, but from then on it was Hueytown's game. John Ivins led the rushers for an average of 6.2 yards a carry. Mike Kolen was our defensive standout. The game ended 28-0.

Receiving the kick-off, Sonny Ferguson rolled back 14 yards. On the first play, John Ivins took the ball on a 13 yard journey. The next plays were a succession of marches. When the Bucs arrived on the 13 yard line, Griff Langston took the helm to make the first score. Mike Baggett kicked the ball to the Huskie 10 yard line, and the Huskies were stopped at their 8. After being unable to move the ball, the Huskies punted again. With the ball in their possession, Berry marched again to victory with Sonny Ferguson doing the final honors of scoring. Baggett was unable to make this 2nd conversion and the score was 13-0 in Berry's favor. After one more T. D. and conversion, it was Berry 20, Hewitt-Trussville 0.

Kolen and Ferguson confer

The first half of this game saw Berry put up an excellent fight against the team that later became number one in Alabama. In spite of the score, the first half had the Berry fans dreaming of an upset victory and thinking thoughts of grandeur.

The Bucs moved the ball in the first half on the fine passing of quarterback, Griff Langston. Johnny Galloway also accounted for four pass completions totaling 62 yards. The major drive ended on the Banks 15 with Mike Baggett unable to make a 32 yard field goal. Late in the first half, the Bucs seemed on the verge of scoring when the clock ran out.

In the second half, Banks seemed able to capitalize on every mistake Berry made. Three of the Jet touchdowns came after the interception of three Buc passes.

Buc Losing Streak Continues

An inspired Berry team, looking for a comeback from the humiliating defeat of the week before, went to McAdory only to meet an even more determined opposing team.

The game was McAdory's homecoming which caused extreme enthusiasm and school spirit among both fans and football players.

Berry clashed uneventfully with McAdory during the first half to give a 0-0 halftime score. The third quarter and most of the fourth produced the same results. However, late in the fourth quarter McAdory, capitalizing on breaks, marched in for the score. The PAT was good and the game ended in another defeat for Berry.

Satisfactory End to Homecoming Festivities

Trouncing Minor 26-2 before an overflow Homecoming crowd, the Bucs scored in every quarter. The first score came on a 52 yard drive in the first quarter. John Ivins and Sonny Ferguson carried the load in the drive with Griff Langston scoring from the one. Baggett kicked the extra point and Berry led 7-0.

In the second quarter Berry tallied its second touchdown on a 65 yard drive in six plays. Langston completed three passes that carried to the eight; from there Ferguson bullied his way into the end zone. Mike Baggett's PAT missed and the score stood at 13-0 at intermission.

Berry came back in the third period with another scoring drive. This drive was highlighted by pass completions to Johnny Galloway and Brent McFarland which carried to the Minor 19. After two plays gained 17 yards Ivins crashed over from the two. Baggett again missed the PAT and Berry led 19-0.

Berry's final score was set up by an interception of a Minor pass. Mike O'Grady took the pass in to stop Minor's only threat of the evening and rambled 75 yards to the Minor 20. Ferguson then gained 7 yards to the 13 and Mark Watkins on a fine bootleg play, scored the T. D. Baggett converted and the score stood at 26-0.

With 36 seconds left in the game a bad snap from center sailed out of the Berry end zone to give Minor its only two points of the game.

Ivins completes an evenings work with a touchdown.

Berry Re-establishes Winning Streak Berry-33 — Erwin-13

The last home game for Berry saw the Bucs come through with a smashing 33-13 win over Erwin.

The first score, which was followed in all quarters by a score, came after a 58 yard drive by John Ivins and Sonny Ferguson. John Ivins made the actual score from the one, and the extra point was good to leave the score 7-0.

Midway through the second quarter, Griff Langston drove the Berry Bucs to the Erwin 24. Then John Ivins drove through an aperture to boost the score to 14-0. With only 56 seconds left in the half, Berry took over the ball to drive to the Erwin two. With 5 seconds left, Sonny Ferguson pushed through to make the score Berry 20 and Erwin 0 at the half time.

The third quarter was scarely under way when Mike O'Grady intercepted a pass and ran to the Erwin's 33 yard line. Jack Lowther took the ball and ran 54 yards to Berry's fourth touchdown. The kick was good, and it was the Bucs in the lead 27-0.

Erwin scored only to have the extra point blocked. Berry again took over and Jack Lowther ran his second touchdown of the night. The kick was wide, and Berry led 33-6.

Erwin took the ball and ran a touchdown and made the conversion. When the gun went off it was Berry 33 and Erwin 13.

Berry and Shades Valley mix it up.

Our Down the Hill Rival

The Shades Valley Mounties in a real cliff-hanger at Shades Valley Stadium nosed out the Berry High School Buccaneers 13-7.

Berry fans will argue for a long time that Shades Valley did not win; Berry just ran out of time.

With 1:48 left on the clock in the 4th quarter, Berry took over the ball on downs at their own 1/2 yard line.

On four 1st downs including a 47 yard pass play, the Bucs moved the ball to the Shades Valley 10. They had it there, 1st and 10, with 18 seconds remaining on the clock, and one time out. Q. B. Mark Watkins, playing the whole game.

The first half belonged to Shades Valley with the Mounties' Q. B. Byron Ketchem setting up the 1st quarter score with a 30 yard pass play.

But during half time Coach Wilson must have told his Buccaneers something. Berry stormed on to the field and held the Mounties to only 5 yards rushing in the 3rd quarter. Within 5 minutes, after the second half started, Berry had stopped Shades Valley. With seven Berry points on the board, it was a new game.

Berry halfback, Sonny Ferguson, took a pitchout from Watkins and after sweeping his right end, and scampered 43 yards and across the goal. Mike Baggett's P. A. T. was good to even the score.

Early in the fourth quarter, Berry took to the air, only to have the first pass picked off at its own 25 yard line by Valley's defensive end Jackie Brachin.

After Shades Valley capitalized and drove to the one, the Bucs' tough forward wall made them try 4 times before Mountie fullback, Gene Ireland, drove in for the score.

Berry's Ferguson was the game's leading ground gainer with 75 yards.

1965-66 Cheerleaders

A year of excitement began for each girl when the try-out results were in. Practice started in June and by the end of August, they were held twice a day. After school started, the cheerleaders met several times a week making signs, posters, and team room decorations. Before each game they sent the coaches an encouraging telegram that was read to the team to help their spirit.

They cheered our team to victory and gave the fans a feeling of "school spirit."

B-Team Cheerleaders

The B-Team cheerleaders showed their spirit at our 1965 Homecoming game.

In the spring of 1965 about forty girls tried out to be B-team Cheerleaders. The P.E. teachers finally chose ten of the girls to cheer the B-team on to victory.

Practices were hard all season and finally it paid off. The football team was inspired at every game and knew they were behind them all the way.

But even when football season ended, practice still continued because basketball season soon began. They proved themselves to be a great asset throughout the seasons of B-team sports.

Stand Out in

Berry Basketball

This year, the young and inexperienced Berry Basketball Team faced a long and strenuous season. It began with spring training last year. Through the summer and early fall the players prepared themselves by practicing the basic fundamentals of dribbling, ball handling, and shooting so they could get down to business for the season. Each player had the desire to win and to do the best he could--even when down.

During the course of the season, there were several teams which loomed immensely in front of the Bucs. Hueytown and John Carroll are always strong and full of material. Our down-the-hill rival, Shades Valley had most of its team returning and they were much to prepare for.

With experienced boys returning: Bill Stroer, Captain, John Ivins, and Bobby Holtzclaw plus some graduated 'B' team boys and Rick Morrow, a hustler from Memphis, the team proved a real threat.

The season was long and hard. To have a spirited and winning team, these young men needed much student support.

Baby Basketballers Have Good Season

The Baby "Bs" compiled an outstanding record under the watchful eye of Coach Jimmy Johnson. These boys all have a promising future in years to come as varsity Buccaneers. The starting five consisted of Richard Roberts, Randy Sain, Roger Frank, Hank Wiley, and Kim McClure. These boys, plus other members of the team, played such worthy opponents as McAdory, Fairfield, John Carroll, Ensley, Oak Grove, Jones Valley, and Minor. The "B" team functions just as the Varsity squad and plays some of the same schools that the Varsity does. These boys of the "B" team worked hard to achieve the prestige which they so well deserved.

A young and spirited tennis team represented Berry on the tennis courts this year. Coach Wilson served as head coach and guided the team to a fine record. Thinclad Bucs Outdistance Other Schools

This spring, the Berry track team had a highly successful season. There were several juniors and sophomores returning from last year's team, who brought with them the experience and ability which is needed to build a fine track team.

The track team is composed of athletes who participate in such events as the 100 and 220 yard dashes, 440 yard run, 880 yard run, mile and two mile runs, high and low hurdles, high jump, broad jump, pole vault, shot put and discus. The boys taking part in these events practice about two months before they meet any outside competition.

This year the track team was under the supervision of Coach Johnson and Coach Finley.

Wrestlers Have Fine Season

Once again the Berry grapplers finished their season with an outstanding record. Beginning the season in early November, most candidates for the team spent their time running off excess fat and strengthening unused muscles, so that they would be ready for their weight class of the 14 specific classes. As usual, Berry was also well represented in the state tournament at Lanier in Montgomery. Led by captain, Mike Kolen, and heavy-weight, Mike Baggett, Coach Bishop's grapplers wrestled outstandingly throughout the season. Each match was wrestled by the best team member of each individual weight class. This is a team to be remembered.

Curve Balls, Home Runs, and Pop-Ups

Batter Up! The Baseball season had finally rolled around. The attention of the Berry fans had lifted to the quick, young baseball team. Coach Dickinson expertly coached the team through three practices and three games a week. The Bucs piled up an impressive record in the ten games played against such teams as Leeds, Shades Valley, Banks, and John Carroll. The baseball program was a great asset to the Berry sports activities and served to make better rounded people out of the participants while it entertained the Buc boosters.

Another hopeful batter comes to the plate.

Physical education, a subject which is now required for all students, serves a useful purpose in developing students physically. The coaches and teachers have a tremendous job as they organize each class of over 200 students. Activities vary from the usual "chicken fat" for the girls, to football for the boys, and clean-up details in between.

Parting Friends

Father, as we go our separate ways, keep strong the bonds of friendship that have held us together through the years. Be with us, Lord, in the hard places of life, give us understanding when we ask why? Give us strength when our own strength fails. Now, as we part from one another, let us walk in Your love and truth, and never let us lose sight of You. Keep us, Father, 'til we meet again. In Your Son's most holy name we ask these things. – Amen.

Prayer by Kerry Buckley at the

1966 Caravel Completed!

Al 7 Its been real
nice knowing you
since the 7th grade,
and we both know
how much fun
it has been ~~not~~ in
Mrs. Kirklands Class
66 Billy

Dont think it hasn't
been nice knowing you (it hasn't)
If you keep your head pulled out
and your hair out of your eyes,
you might make a good-guy yet.

Best of luck always
Henry Cobb

Dear Cobb
I wonder if you
know your hair
is down again
